*subject:* International Day of Prayer and Action  
Habitat for Humanity

---

Sunday, September 21<sup>st</sup> is the day that is designated by Habitat for Humanity as their International Day of Prayer and Action. I would like to encourage you to consider using some of the resources that are available on this disk to help raise awareness for Habitat for Humanity and specifically for the Nevada Area Affiliate.

The following resources are available as downloads at [www.umcn.info/habitat/](http://www.umcn.info/habitat/) our Nevada Affiliate Website.

- An informational brochure.
- A bulletin insert (front and back).
- An Adult Sunday School lesson.
- A Youth Sunday School lesson handout and leader's guide.
- A copy of this memo.
- Partner Church Covenant.

At the very least I would ask you to please pray for Habitat as part of your worship services on September 21<sup>st</sup>. You might also consider....

- Include the bulletin insert in your worship bulletin.
- Make copies of the brochure available.
- Passing the Sunday School material on to your Sunday School Teachers.
- Having a special love offering for our local Habitat Affiliate.
- Joining the three area churches that have entered into partnership covenants with the Nevada Area Affiliate.

Please give prayerful consideration to using these resources and supporting Habitat for Humanity here in the Nevada Area.
