Heifer International

U.S. Secretary of State Hillary Clinton announced on June 16th that United Methodist Jo Luck was named 2010 World Food Prize Laureate for her work as the Chief Executive Office of Heifer International. Heifer International along with Bread for the World were described as “two of the world’s foremost grassroots organizations leading the charge to end hunger and poverty for millions of people around the globe.”

Jo Luck has served as the CEO of Heifer International since 1992 and has created innovative public education initiatives to link grassroots donors in rich countries to recipients in developing countries, increasing the knowledge and awareness of adults and children of all walks of life regarding global hunger and poverty issues. Reaching out to supporters in this way has brought the message of Heifer’s sustainable solutions to hunger and poverty directly into hundreds of thousands of U.S. homes.

By placing animal and knowledge assets directly into the hands of farmers-particularly women-Heifer International has empowered them to quickly convert these gifts into food and, often, into income-generating enterprises. A strong impact of Jo Luck’s legacy as the leader of Heifer is the binding together of people emotionally and economically, enabling them to envision and create a better life for themselves and their children.

Sharing Table

Don’t forget to check the sharing table each week for some garden produce, some baked good or recently we have been having farm fresh eggs. All donations received on the Sharing Table go to Heifer International as part of our support to The Festival of Sharing.

A Simple Invite

Did you know that you can invite someone to Sunday worship or some church event by using the on-line church calendar? It is easy.....go to the church website at www.umcn.info and then clicking on the calendar quick link on the upper right of the main screen. Once you get to the calendar you will find dates and events. If you click on the name of the event you will see more detailed information and on the left there is a place where you can enter a friends eMail address and send them an invitation to the event. Quick, easy and painless.....you can’t beat that.

Thank You

The youth mission team would like to thank everyone for their support of the mission trip this year. Without your help the team would not have been able to go be in service to the people in Kentucky. We would also like to thank you for your prayers and ask that you continue praying for Red Bird Mission and all of the families they are helping.
