The Steeple Bell

July 25, 2010

A Simple Invite

Did you know that you can invite someone to Sunday worship or some church event by using the on-line church calendar? It is easy.....go to the church website at www.umcn.info and then clicking on the calendar quick link on the upper right of the main screen. Once you get to the calendar you will find dates and events. If you click on the name of the event you will see more detailed information and on the left there is a place where you can enter a friends eMail address and send them an invitation to the event. Quick, easy and painless.....you can't beat that.
